

REQUEST FOR PROPOSALS  
FORESTRY SERVICES  
VILLAGE OF MAYVILLE

The Village of Mayville is seeking responses to this Request for Proposal and Qualifications for forestry services. Services to include: 1) Trimming of or removal of trees as designated by the Village, including stump grinding, removal of debris, and restoration area. Marketable tree segments must be cut in eight foot eight inch sections for removal by Village staff. .2) To assist the Village in inventorying of trees and determine their health status. 3) Placing the Village as high response priority in clean up after an event which exceeds the Village ability to respond. 4) Other tasks identified in addendum to any written agreement. Submissions must include hourly rate of all personnel including administration, support, and in the field employees; hourly rental rates per each vehicle to be used in services to the Village; and any other cost that would be passed onto the Village. Prove of liability, work compensation and professional insurance must be provided at time of submission of proposal. All personnel assigned to the Village must be listed with their professional qualifications and experiences. Three community based recommendations must be also submitted with the written proposal. Deadline for submission is July 12, 2011 to Village Manager 5950 Fox Street, Mayville, MI. 48744.
