Timothy Matthew Sadowski

Village Manager

The Village of Mayville
5950 Fox Street
Mayville, Michigan 48744
Work Cell: (989) 553-0132
Fax: (989) 843-0061

Annual Review:

I am pleased to announce that I have been serving the Mayville Community for over one (1) year; with my start date of December 3, 2007. Over the last year the village has been awarded \$477,000 in grants. I hope to encourage and further develop this positive momentum with the following goals for 2009:

- 1) Job Creation – Newly established Industrial Park
- 2) Improve Government Service Quality
- 3) Repair Roads

Thank you for letting me work with and for your community!

***Recycling Schedule on Back.**

BMX/Skatepark Update:

The village received a \$5,000 grant from the Bikes Belong Coalition to help in the construction of the BMX facility. A public hearing will be held on January 20, 2009 at 7:00 pm in the Mayville Fire Department, Council Chambers located at 6044 Trend Street. The reason for the public hearing will be to take comment and then award the construction facility project. The village has raised \$40,000 through grants and contributions and still needs to raise \$30,000 to complete the project.

Storm Sewer Project:

The Downtown Development Authority completed the municipal storm sewer project located in the Trend Street Parking Lot. The final construction cost was \$12,615 to Fox Excavating for the installation of a storm sewer system consisting of three (3), two (2) foot wide catch basins and 360 foot of eight (8) inch dual wall plastic pipe. Fulton and Main Street businesses interested in connecting to the storm sewer system should contact Roger Sweet at (989) 843-6621.

Industrial Park Update:

The village has acquired 22 acres on M-24 across from Hopp's Lumber & Supply (408 W Ohmer Road, Mayville). The village awarded two (2) development bids: 1) MacFarlane Excavating (Fairgrove, Mi) - \$9,760 2) Glaeser Dawes Corporation (Flushing, Michigan) - \$53,842. The bids entail grading, land development, and water/wastewater extensions.

Fire Truck(s) Update:

1) The village received a \$161,500 grant from Homeland Security/FEMA to purchase a **3,000 gallon tanker truck** totaling \$170,000. The truck should be delivered in June of 2009.

2) The village should be receiving the **3,000 gallon pumper truck** in January 2009. The village received a contribution from the Arlene Western Trust in the amount of \$130,000 and a USDA Grant in the amount of \$19,000 for the purchase totaling \$190,743.
