

REQUEST FOR PROPOSALS
TREE REMOVAL

The Village of Mayville is requesting bids for the removal of a tree at 118 East Main. Tree trunk and straight branches must be cut into 8'8" sections with removal of logs by the Village. All brush must be chipped and removed with preference of retaining the chips to the Village. Stump must be ground with grindings removed by Contractor. Contractor shall provide proof of liability insurance and work compensation prior to commencing of any work. Responses to this RFP are to be submitted to the Mayville Village Manager 5950 Fox Street Mayville, MI., no later than April 8, 2011 at 11:00 a.m.. Work to be completed no later than April 21, 2011 with a \$25 per day penalty for removal after final completion date. The Village reserves the right to reject any and all bids.
