Special Public Meeting
Village of Mayville Planning Commission

Proposed Meeting Minutes

April 03, 2019

Present: 5	Richard Dotson-Chairman, Cecilia Kapcia-Vice Chairman, Randy Valentine, Judy Chesney-Secretary, and Bill Barkowska
Public: 1	John Welke

Meeting opened at 6:30 p.m.

Zoning Ordinances Book
We couldn't approve the book as a whole like we planned tonight because there is a problem with several sections, Section 9, Section 10, Section 22.

Section 22 is new since the book was last printed and is more detailed and it incorporates Section 9, so Section 9 is being deleted.

Section 10 has a paragraph that needs to be deleted because it conflicts with section 22.

Section 22 in 20.c.5 we decided to change our 'nit' (lumen) requirements from 10,000 to 5,000 daylight and from 1,000 to 500 for dusk to dawn.

Public Comments
J. Welke brought to our attention that 'carports' are being sold and their advertising is telling customers that all they need to install is temporary anchors to hold the building in place. J. Welke is going to contact Curtis Stowe, Chief Building Official for Tuscola County and discuss what needs to be completed for this kind of build. We need to address this issue in our ordinances.

C. Kapcia moved and B. Barkwska supported to close the Special Public Meeting. Motion Carried.

Special Public meeting closed 6:52 p.m.
