

Village of Mayville

November 2021 Newsletter

The leaves are changing and fall is in the air. It is a busy time for our Village, road work, tree trimming and lots of new residents moving in. Just a few reminders to our new and seasoned residents:

- * **Village office hours:** Tuesday-Thursday 9:00-3:00 843-6423
- * **Trash pickup** is on **Thursdays**- Recycling pick up is every other week. Pick up a schedule at the Village office.
- * **Leaf pickup** will begin soon. Please rake your leaves to the edge of your property (not in the road) or bag them up (using eco-friendly bags) for DPW to pick up.
- * **Monthly water bills** are due on the **15th of each month**. If the office is closed, feel free to put your check and bill stub in our drop box on the north side of the building.
- * **New water meters**- Did you know we get alerts everyday regarding possible leaks in your home? Sometimes it's a running toilet, a leaking faucet or a hose left on. This could add \$\$\$\$ to your water bill. We need your phone number on file to contact you. Please call us Tues-Thurs from 9a-3p and leave your number.
- * **New number for Fire Dept.** 989-843-6662- burn permit information is on the recording.
- * **Leash law**- Dogs **MUST** be on a leash while outside unless in a fenced yard. Owners are responsible to clean up waste unless on your property.

Stay tuned for our First Annual Old-Fashion Christmas Festival on Sat. Dec. 11th

Golf Cart/ORV parade, Tree lighting ceremony, Santa at Firehall and more!!
